

Sew-ers of the Month

September

There was a tie in our evening Creative Sewing Club meeting. **Cookie De Laurelle**, South Bend, won with her Four Patch Stacked Posies quilt. It's a simplified version of a Stack 'N' Whack, but it sure looks impressive. And she quilted it on her Handi Quilter, and did a great job with that, too. (If you live in our area, we have a class for this type quilt this session.) The other winner was **Marlene Moore**, Mishawaka, who made a beautiful appliqued witch wallhanging for her sister.

Our daytime meeting also had a tie! **Ann Littleton**, also of South Bend, made this snowman quilt. She had embroidered centers, and the whole thing was put together with decorative stitches on her Baby Lock with the Cotton Theory technique. Lots of stitching in this one!! **Nancy Wenstrand** from Sawyer, Michigan used her Viking Diamond to make her lucky granddaughter this embroidered purse with lots of accessories. Lots of stitches in this little thing, too!
