

Sew-ers of the Month

October

Jolene Swinehart from Goshen made these adorable quilts for her granddaughters and became our evening Sew-er of the Month for October. Runner-up was *Karen Lindley* from South Bend, and you can see her “zippy Strippy on Steroids” (as named by her husband) below in blue.

Judy Bodjack from St Joseph, Michigan, always makes quilts for her family that depict their special interests. This one, which won top honor, is motor cross. Runner-up was *Marguerite Pluta* (South Bend) with a black, white, and lime green quilt. She’s made lots of black white and bright colored quilts.

Note: you can get the pattern for the **Zippy Strippy** with the purchase of any strip set, like Jelly Rolls or Bali Pops. Karen did her own thing on the back, which is beautiful, too!
