

# Sew-ers of the Month

November

In November we had to cancel our evening meeting because of that darned winter weather that afflicts us here in Michiana! But things were stable by morning, and we had our morning meeting. **Judy Felty** was Sew-er of the Month with a quilt for her granddaughter. Sydney helped her pick out colors of fabric, most of which ended up being pink!

Runner-up was *Vicki Gibson* from Goshen with her Hot Chocolate wallhanging. Admittedly it was a UFO for a few years, but obviously worth finishing up! Vicki also had a satin Christening dress that was a beautiful heirloom.
