

Sew-ers of the Month

April

Teresa Simon, Mishawaka, IN, made her Jiffy Strippy Quilt top from our directions, in a real jiffy! Then she used her Handi Quilter Pro-Stitcher to quilt it in a jiffy, and be evening Sew-er of the Month! (If you're in our area, you can take our class to see how truly quick this Jiffy Strippy is! Runner up was *Tina Sage*, South Bend, who has come back to sewing with a real flurry. Although she calls herself a beginner, her projects show her skill! The daytime winner was **Sue Marsh**, South Bend, with this dinosaur quilt for her grandson, who just graduated from Notre Dame's College of Science, and going to University of Texas for his doctorate in paleontology. The perfect gift! Runner-up is *Mary Brouette*, Plymouth, IN, with this outstanding stained glass quilt! (By the way, when Mary isn't quilting, you might just find her zip-lining over the rain forest in South America!)
