

# Runners-up

There was a tie for second place in our evening meeting. **Nancy Jackson**, Elkhart, showed her little “Flirty Skirts,” made with love. Tied with her was **Annette Blaschuk**, Niles, with her Precious Moments chenille quilt made on her Handi Quilter. Her placemats and matching backpacks for her grandchildren were winners too.

**Sue Collins’** sports tee shirt quilt was made for her grandson, Sean McClellan, who graduated in June 11 from Plymouth High School. He played a lot of sports, baseball, basketball, soccer and softball. We love the label she put on the back, with both their photos. What a treasure!
