Our Crafter Kitty

Tchaikovsky claims this quilt as his own, as he does with them all!

Did you look at this picture and think, "MY cat's a sew-er (or crafter), too! He (or she) should be in Erica's newsletter!" If you have a kitty that shares your love of crafts and sewing, and you catch him in the act, email a picture (with good resolution) and a SHORT (you know how we feline fanatics can go on and on!) paragraph about it.

Send it to me at erica@ericas.com. We use kitty pictures in our online newsletter and in the local paper newsletter, and we're so happy to help show off these delightful felines for their human companions. So get out your camera, and catch your special "fur-purrson" crafting!
