Special Purchase Husqvarna Viking combination Sewing & Embroidery Machines

Starting at \$999 while they last!

Attention: Designer SE Owners!

If you haven't gotten your new Upgrade that AUTOMATICALLY TRIMS JUMP STITCHES while it embroiders, check with the Sewing Department about bringing your machine in to have it done. It's a fantastic new feature!! It goes with the SE update software version 12028 (available for your SE on the Husqvarna Viking website) and also gives you other features, such as increased embroidery speed.
