ART TO HEART

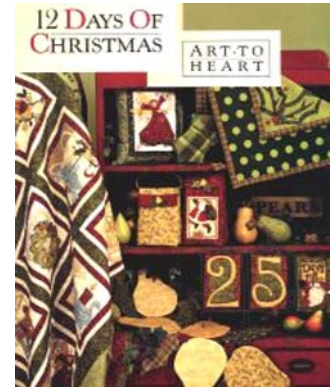

12 Days of Christmas September 15 - 28

Another wonderful fabric line and book from designer Nancy Halvorsen and her team!

Celebrate the 12 Days of Christmas with some of the traditional images (partridges and pears) as well as a few new looks (gingerbread & snowmen).

These projects are fast, fun and so do-able you'll want to get started now for the holidays!

We have the book, the fabric, and fabric packs for every project in the book.
