## Embroidery Clubs at Erica's!!

Join an Embroidery  
Club now!

We have space in some of our embroidery clubs! If you bought your embroidery machine from us, there is probably an Embroidery Club you can join. Embroidery Club is the best thing you can do for your machine. We do things you might not try on your own, like metal punch, cutwork, different types of applique, dimensional embroidery, balsa wood, even toiletries! and more to come! (If you have moved to our area and have a Baby Lock or Viking, we also invite you to join us!

Check the "Club Dates" on the Club page for dates. Those with \* after them have space. Be sure to get your sheet of what to bring to the next meeting when you sign up.
