If you want to be around the things you love, Erica's is a great place to work!

We need someone to work with our counter staff from at least 24 (preferably 32) to 40 hours a week. This would be mostly daytime, weekday hours, but some weekend or evening hours as needed.

Being friendly & enthusiastic about what we have here at Erica's is essential! Besides the fun of helping customers, you'll get a store discount, free classes, a flexible work schedule, and paid vacation after 3 years.

We have a great staff who help each other and will make you feel at home.

Ask for an application or print one from our website:

www.ericas.com/jobs and fax or bring it in.

We have a great repair department.

They're super techs, but they need help!

They're giving loving care to your babies, but the waiting room is full! We're looking for someone who "likes to fix things."

That person - he or she - would have

experience "trouble shooting" and fixing mechanical things. An understanding of how electronics work would be a plus.

30-40 hours a week. If this sounds interesting, please come in and fill out an application or get it from our web site and fax or bring it in.
