Amish With a Twist

Meetings in the store:

This club is for those of you who love piecing and the look of Amish quilts. The 8 month club will begin the second Tuesday evening in April, and each month you'll work on 2 quilt blocks. Solid color fabrics are used, with black for the sashings and outer border. Each month, the 2 blocks will relate to each other in the type of piecing they use, and your skill level will increase as the club progresses. The borders will be discussed in one class, and the pictured applique flowers are optional. The quilt finishes to approximately 88 3/8" x 105 1/2". Club fee is \$40.
