VIKING®

Embroidery Clubs at Erica's!!

Join an Embroidery
Club now!

We have space in some of our embroidery clubs! If you bought your embroidery machine from us, there is probably an Embroidery Club you can join. Embroidery Club is the best thing you can do for your machine. We do things you might not try on your own, like metal punch, foam, cut-work, different types of applique, dimensional embroidery, even toiletries! and more to come!

Check the "Club Dates" on page 52. Those with * after them have space. Be sure to get your sheet of what to bring to the next meeting when you sign up.
