+ These classes have skill level or membership requirements. Please check the individual description.

### Weather Advisory

We have planned all our classes on good weather days, but just in case the weather decides not to cooperate, we will. Chances are we'll postpone the class. If not, and you come from quite a distance, and it's not advisable for you to drive, we'll give you credit for the cost of the class. Please let us know not to expect you.
